

Spring Semester ACT Prep Classes

Most juniors in the country will take the ACT in April, but too many of them will wait until it is too late to begin preparing. This is the most important test a high school student will take. Preparing for the ACT takes time...the time is now!

The instructor will be Test Prep Specialist Jason Franklin: the most popular ACT Prep instructor in the State of Illinois. These sessions will look at the test overall and practice general test-taking strategies that can make getting better scores on the ACT a reality.

Just read the following *true stories* from last year's class.

Katie	5 point improvement	19 to 24
--------------	----------------------------	-----------------

"I just looked up my ACT results and I got a 24!!! I am thrilled that all my hard work has paid off! Thank you so much for all your help!!!"

- Katie

Jessica	4 point improvement	21 to 25
----------------	----------------------------	-----------------

"You rock!!! I got my goal of 25. Thank you so much!"

- Jessica

Helen	4 point improvement	22 to 26
--------------	----------------------------	-----------------

"I just received my test scores, and I went from a 22 to a 26!!! I am SO excited about it! Thank you so much for all your help; I cannot thank you enough! I will definitely be referring you to all my friends and my little sister plans on going to you as well for prep classes."

- Helen

Chris	4 point improvement	24 to 28
--------------	----------------------------	-----------------

"I took the ACT in December and received a 24. Although it wasn't bad, it was not where I wanted it to be nor expected it to be. However, after taking your class and studying on my own I felt much more prepared and most importantly more confident in my ability to do well on this test. I'm very excited to say I got a 28. Thanks again for all your help."

- Chris

Cassie	4 point improvement	27 to 31
---------------	----------------------------	-----------------

"I just checked my scores online and I got a 31! I went up 4 points. I am so happy right now. Thank you so much!"

- Cassie

Heather	Plan Test	projected 22 to a real 31
----------------	------------------	----------------------------------

"I just wanted to thank you for taking the time to do these ACT Prep classes. I know they have helped a lot of people, including me. I hadn't taken the ACT before, but last year when I took the Plan Test it said my projected score for the ACT was a 22! I knew I could do better than that, and I think your class helped me to do my best, which is really all I wanted. Thanks again for everything!"

- Heather

George	6 point improvement	27 to 33
---------------	----------------------------	-----------------

"I just received my April ACT scores, and I got a 33! I am very excited and your class helped me to prepare for it. Thank you!"

- George

JUNIORS HAVE BUSY DAYS!

Students are more than welcome to mix-n-match dates in order to get all the sessions completed. It is ideal, but not necessary, to do the sessions in order. Each session starts and stops at specific points. Each session is different. If a student needs to do, say, Reading #3 before Reading #2, that is fine. They key is to get ALL the sessions completed.

Students are welcome and encouraged to make-up missed classes at other locations, if necessary. Jason Franklin is the instructor for all the classes at all locations.

WE REWARD PERFECT ATTENDANCE!

In order to encourage students to attend all 14 sessions and to make-up missed classes whenever possible, we give students a \$20 Perfect Attendance refund check (written directly to them) on the last day of class if they attend all 14 sessions. Students are welcome to make-up missed classes on other days and at other locations if necessary.
